

# PCP - Person Centred Planning

# PCP and Me

## What is a Person Centred Planning (PCP) Approach?

- Everyone working together and talking positively.
- You will be listened to.
- Your friends and family will be listened to.
- You will help decide what happens next.

## What to think about

- What you are good at and what do you like at home.
- What are you good at and what do you like in school.
- What are your dreams?
- What is important to you?

## What to expect

- Everyone gets a say
- Meetings will be more relaxed
- We hope to learn new things about you.

## What happens next?

- The information we get helps to plan our next steps.
- We draw our ideas down and we all understand what happens next.
- Later on, we will talk together about how the plan is working.

This is how we are being  
**Person Centred in
